## Office Hours

Monday - Friday | 8:30 am - 5:00 pm

## DID YOU KNOW?

When a visitor arrives, they must call you from the panel in the Lobby by typing in your apt #. When you answer the call, just hit 9 on your phone and it will unlock the door for them to enter.

*You can also tune to channel 1340 to view the door to see who is calling you before granting them access.*

**Please, remember not to open the door to anyone you do not know or are not expecting.**

## Baking Up Comfort

Celebrate National Banana Bread Day on Feb. 23. This warm and comforting bread is great as is, or you can personalize it for the perfect loaf. Try one of these popular add-ins: chocolate chips, dried fruit, nuts, coconut flakes or shredded carrots.

### Winter Weather Reminders

Here are a few reminders of what you can do to help your community as the winter weather continues.

- Winter driving can become extremely hazardous. Please use caution when driving and be courteous to other drivers, including snow removal vehicles.
- Be sure to review parking regulations regarding snowfall and move your vehicle at the specified time for your area. Any delays in moving your vehicle, causes a stressful situation for all.
- Many people require assistance after a snowstorm. If you know of a neighbor who needs help, please give them a hand.
- Pets are susceptible to bitter cold and should be kept inside whenever possible.

### Be My Valentine

Each year on Feb. 14, people give cards, candy, gifts or flowers on the day of love and romance called Valentine's Day. The observance dates back to the 5th century.

### Weekly News

The first issue of Newsweek magazine came out on Feb. 17, 1933. The publication, founded by Thomas J.C. Martyn, a former foreign editor at Time magazine, cost 10 cents a copy and had a circulation of 50,000. At its height in the early 2000s, Newsweek had a worldwide circulation of more than 4 million.

### Stay Healthy This Season

During cold and flu season, bolster your immunity by practicing the basics of good health: Wash your hands often, eat a nutritious diet, exercise regularly and get plenty of rest.
